### Terms & Conditions

Washing machines must be ENERGY STAR certified to qualify for a rebate. Limit 1 washing machine rebate per applicant within a 5-year period, per installation address. Installation address must be served by the LOTT sewer system through the city of Lacey, Olympia, or Tumwater. City utility account must be active and in good standing. Applications must be submitted within 6 months of purchase. Washing machines must replace washers that are at least 5 years old or older, or that are not ENERGY STAR certified.

### Acceptance of Terms & Conditions

By signing below, I verify that I have read, understood, and agree to the terms and conditions of this rebate offer as set forth above. I further certify that I am a qualifying LOTT ratepayer, and that the washer(s) described above has/have been purchased and installed at the location(s) indicated. I agree that LOTT and/or city water utility staff may, at their option, inspect these products as installed upon request.
